Allied News prefers to receive obituaries directly from the funeral home or other entity handling the arrangements. However, we understand there are certain circumstances in which that is not possible. Please fill out this form as fully and accurately as possible, making sure to provide the full name, address and phone number of the funeral home or other entity that handled the arrangements where requested; we will need to contact that entity to verify some information. Allied News will not publish any obituaries that do not include this information. Please accept our condolences for your loss.

A few guidelines

Allied News publishes twice a week, on Wednesday and Saturday. Obituaries are printed in *the next available edition*, with a notice in the "Previous Deaths" list the following issues, if space permits.

You may submit a photo of your loved one to accompany the obituary if you wish; it can be of any size, either black and white or color. While we cannot accept the form itself by e-mail, you may attach the photo only to an e-mail and send it to obits@alliednews.com; please do not attach any documents, as we cannot open them. Please put the individual's name and "photo" in the subject line. You may also mail the photo along with the form – enclose a self-addressed, stamped envelope if you wish for us to return the photo to you – or bring it into our office, and we will scan it then.
